
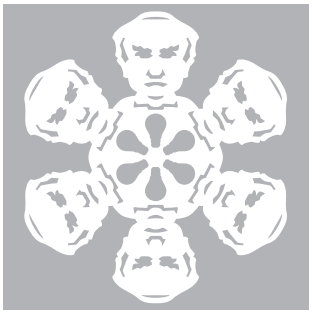
1. Cut out pattern at the circles edge. **2.** Fold paper at lines in order indicated. **3.** Cut out all grey areas. Use an X-acto knife for inner details.



THOMAS EDISON

Thomas Edison (1847-1931), who is probably best known for his innovations in electric lighting, held more than 1,000 patents for devices ranging from movie projectors to electric cars. Thomas Edison was awarded the Franklin Medal by The Franklin Institute in 1915.
